Dear Sir:

This is in response to the Office Action dated March 12, 2003, in the above-captioned application, the time for response having been extended for one month. In response thereto, please enter the following amendments and consider the accompanying remarks.

IN THE CLAIMS

Claims 1-20 and 22 have been amended as follows:

1. (Amended) A wipe article comprising:
  - a) A substrate, said substrate having a plurality of micropockets, said micropockets having a length, a width, and a depth, wherein the ratio of said depth to said width is at least 1:2; and
  - b) at least one substance in said micropockets, said substance remaining in said micropockets until said substrate is subjected to a shear force while in contact with a target surface, said shear force causing walls of said micropockets to substantially deform, and release said substance to said target surface,  
wherein when said substrate is subjected to a compression force perpendicular to the surface of said substrate, said walls of said micropockets collapse and close, preventing release of said substance.
